The competition was already announced under the proviso that the competition has to be cancelled if unforeseen problems appear at the completing of the ice hall which still is under construction. It seems that unfortunately these unforeseen problems did appear now.

### **SPRINT GAMES - Entries RUS**

vs. The deadline of entries for the Russian skaters to the **3<sup>rd</sup> Masters' International SPRINT GAMES 2011 in Berlin** has been 01 Nov 2010. The deadline was so early because it takes a lot of time to get the necessary visa. **25 Russian skaters can take part in the competition**, 24 skaters according to the quota RUS and 1 skater because of not used quota of other nations. A selection of the entered skaters was necessary because there were more entries than

available places. This selection was made by the Masters Speed Skating Federation of Russia (MSSFR) in cooperation with the Russian Skating Union (RSU), result see <http://www.imssc.org/10-Entries-Berlin-SpriG.html>. Personal **invitations for getting visa** will still be sent on 02 Nov 2010 to all skaters of the Russian Masters' team by airmail.

**Electronic Version ICEOVAL 2010**

vs. The latest version of our International Masters' Speed Skating News, **ICEOVAL 2010**, was **issued now in the Electronic Version**. You find in this issue some information about the competition season 2010/2011 in the Editorial, the Competition Calendar 2010/2011, reports about the Sprint Games 2010 in Milwaukee/USA and the Allround Games 2010 in Baselga di Pinè/ITA and about the Criterion Nov 2009 in Erfurt/GER. Then you find the List of IMSSC Records 2010, the IMSSC Members' List and the IMSSG Members' List and Ice Crystals, the Latest News 2009/2010. The flags on the title are completed by the flags from Japan, Kazakhstan and Mexico. We had competitors from these three countries in 2009/2010 at International Master Competitions for the first time. You find the Electronic Version under [www.imssc.org/10-iceoval.html](http://www.imssc.org/10-iceoval.html). **Cancelled - SINGLE DISTANCE RACES 2011 in Hamar**

vs. The **9<sup>th</sup> Masters' International SINGLE DISTANCE RACES 2011 in Hamar/NOR**, planned for 22 – 23 Feb 2010 in the Vikingskipet, the Viking Ship ice hall, had to be cancelled. One of the reasons was that the **3<sup>rd</sup> Masters' International SPRINT GAMES in Berlin** could not be held on 05 – 06 Feb 2011 as originally planned, but only on the same date, 22 – 23 Feb 2010. We hope that such an incident does not happen next season and that in 2012 the **SINGLE DISTANCE RACES in the Hamar Vikingskipet ice hall** again can be held.

**02 Oct 2010**

**SPRINT CLASSICS 2011 in Inzell under Proviso**

vs. The announcement of the **15<sup>th</sup> Masters' International SPRINT CLASSICS 2011 in Inzell/GER** on 29 – 30 Jan 2011 has just been issued, see [www.imssc.org/10-Ann-Inzell.pdf](http://www.imssc.org/10-Ann-Inzell.pdf). But because the ice hall still is under construction, the announcement is only valid under the proviso that the competition has to be cancelled if unforeseen problems appear at the completing of the ice hall. This may still happen in December 2010 or January 2011.

**01 Oct 2010**

for a lot of competitions at once. Some announcements are still missing as can be seen by the Competition Calendar 2010/2011, see [www.imssc.org/10-calendar.pdf](http://www.imssc.org/10-calendar.pdf) . They will follow soon.

#### **Masters' Canadian Open 2011 uncertain**

vs. The 4<sup>th</sup> Masters' International Canadian Open was planned for 15 – 16 Jan 2011 in Halifax/Nova Scotia/Canada. The organizer now had the wish that the announcement in the Masters' Competition Calendar should be removed, with the remark that it would be incorrect. This has been done now. It **seems not to be clear if the competition can** be run according to the ISU Rules and the IMSSC Rules in 2011 in Halifax to **be an officially recognized Master Competition** as the 3<sup>rd</sup> Masters' International Canadian Open in Québec 2010.
